New Members Are Needed

Vice President for Membership, **Lorene Barbee**, is organizing a campaign to recruit new members for Permian Historical Society. Each member can help in this effort by inviting friends and those interested in regional history to our spring and fall meetings.

Nominations for Permian Historical Society Awards

Any PHS member may nominate any worthy living individual for any of the four awards. No posthumous awards will be made unless the recipient should die between the time of nomination and of presentation.

Unlimited nominations may be made by a member in one or all of the categories. Nominees need not be members of Permian Historical Society. A formal letter of nomination that documents the accomplishments of the nominee and a picture of the nominee should be submitted to the Awards Committee Chair Edd Cox, Star Route Box 103, Monahans, TX 79756.

Permian Academy of History is the highest award of merit and is given to one who has made outstanding contributions in the field of historical preservation or the

development of historical resources of the Permian Basin. The recipient must be a resident of the Permian Basin and the work must be of area-wide significance.
