Program Set for Spring 1991 Meeting

We look forward to our spring meeting in Midland County. It promises to be interesting with a wide assortment of topics covered. Six papers are promised, including **William R. Stebbins, Jr.**, "Army Infantry and Cavalry Equipment, 1867-1890;" **Richard A. Thompson**, "MacKenzie's Raid into Mexico, 1873;" and **Noble Smith**, "The History of Music in Crockett County." [Noble was in the hospital at the time of our fall meeting, but she is better now and planning to present her paper at our spring meeting.]

Julia Cauble Smith and **Glenn Justice** conclude our list of presenters. We also have several presentations in reserve in the event a scheduled speaker must cancel at the last minute.

Papers are always needed for our spring and fall programs, but we have several promised at this time. Six papers are listed for the fall 1991 meeting. Anyone with a paper to present should contact the program chairman. Write her at the following:
