### Successful Fall 1991 Meeting in Big Spring

The Fall 1991 meeting of the society was held at The Heritage Museum in Big Spring, Texas. A large attendance heard six presenters from across our area—from Big Spring, Del Rio, Midland, and Snyder. Two papers were presented by writers who live outside the Permian Basin and research the history of this region.

### *Permian Historical Annual* for 1991

Dr. H. Warren Gardner, editor of the *Permian Historical Annual*, announces that the 1991 volume is progressing on schedule. As usual it will be filled with scholarly articles about Permian Basin history. Distribution date is set for the spring meeting. A copy of the publication goes with each membership.
